

Test 1 Notice

This is to remind all students that next class - class 11 is our midterm test. It will include all material taught in class from class 1 - 10.

Topics include:

- 1) Rational Numbers and Exponents
- 2) Polynomials (1) and (2)
- 3) Equations (1) and (2)
- 4) Linear Relations

The test will be open book. You can use all material provided by Olympiads School (i.e. Notes, homework, notes taken in class). However, no sharing is allowed during test.

Please bring a **scientific calculator** for the test.

GOOD LUCK!
