

Test 1 Notice

This is to remind all students that next class - class 8 is our midterm test. It will include all material taught in class from class 1 - 6.

Topics:

1. Linear System (1) and (2)
2. Analytic Geometry (1) and (2)
3. Polynomials (1) and (2)
4. Quadratic Functions (1)

The test will be open book. You can use all material provided by Olympiads School (ie. Notes, homework, notes taken in class).

However, no sharing nor electronics are allowed during test.

Please remember to bring a **scientific calculator** for the test.

Good Luck!
