

Test 2 Notice

This is to remind all students that next class – class 23 is our final test. It will include all material taught from class 13 – 22.

Topics include:

- 1) Statistics and Probability
- 2) Geometry
- 3) Angles
- 4) Congruent Triangle
- 5) Similar Triangle

Please bring a **scientific calculator** for the test. No other electronics are allowed.

GOOD LUCK!
