

## Test 2 Notice

This is to remind all students that next class - class 24 is our final test. It will include all material taught in the course but will emphasize on class 12 - 23.

### Topics include:

- 1) Analytic Geometry
- 2) Statistics
- 3) Measurement
- 4) Geometry
- 5) Similar Triangles
- 6) Factoring

The test will be open book. You can use all material provided by Olympiads School (i.e. Notes, homework, notes taken in class).

However, no sharing is allowed during test.

Please bring a **scientific calculator** for the test.

**GOOD LUCK!**
