- (E) exaggeration

### Analogies

The following questions ask you to find relationships between words. For each question, select the answer choice that best completes the meaning of the sentence.

Sample Questions:      Kitten is to cat as:  
                                    (A) fawn is to colt  
                                    **(B) puppy is to dog**  
                                    (C) cow is to bull

- (D) wolf is to bear
- (E) hen is to rooster

Choice **(B)** is the best answer because a kitten is a young cat just as a puppy is a young dog. Of all the answer choices, **(B)** states a relationship that is most like the relationship between kitten and cat.
