Homework Class 6

Create a page like below using the following things:

- Create a Form that will take the name, email, phone, date of birth , gender and Province from the users.
- Date of birth must be 3 different dropdown list (one for month, one for day and one for year)
- Gender must be the radio button with 3 options (male, female, prefer not to say)
- Province must be the dropdownlist with all the provinces in Canada
- Give class "tbl" to the table and style the table to have border = 5, font-size = 20 , color of text = red, cellpadding and cellspacing to be 5
- Make all the headers (h1,h2 etc) to be blue in color.
- Set width of all the input to be 100 px
- All the headers (h1,h2,etc) should be bolder and underline
- All paragraph should have green color text
- Everything needs to be centered

Welcome to registration page (h1)

Please fill in the registration information below (h2)

Once you fill out the form, someone will contact you within 24 hours.(p)
